O. ROSEDEL
Community Manager
P. BOULARD
Accounting Assistant
D. SCHLUMBERGER

Executive Members

Polish Society of Hematology and Transfusion
Lodz, Poland

By email:

Paris, September 2, 2019

Dear Colleagues,

As discussed during the ESH Annual Strategy Meeting, ESH would like to strengthen links with the Polish Society of Hematology and Transfusion.

As a step in this direction, ESH proposes a 20% reduction in registration fees for the members of the Polish Society of Haematology who wish to attend an ESH conference. In return, we would highly appreciate your presenting this opportunity to your members as a part of the society's membership package.

The ESH conference agenda 2019 and 2020 is attached for your perusal. Also attached is the list of members of the ESH Executive and Scientific Committees.

ESH is a not for profit association for lifelong learning with over thirty years of experience. ESH meetings are organized to address one specific topic over 2,5 days of intensive study. An emphasis is placed on face-to-face scientific discussion and interaction with the members of the conferences' international faculties of global experts. In view of this policy to promote scientific interaction and mentorship, the format of ESH meetings is relatively small; they welcome an international audience of a few hundred participants including senior basic and clinical scientists and also those still in-training.

We hope that you will be interested in this proposal. We would also be very pleased to receive your suggestions to further strengthen our collaboration and we look forward to hearing from you.

With our kind regards,

Hervé Dombret
President

Michael Hallek
Chairman
Scientific Committee

Tadeusz Robak
Member
Scientific Committee
